## July Newsletter

*Dear Friends,*

*"Do what you can, with what you have, where you are," Theodore Roosevelt. We all have the ability to do something to help someone else. Some have the financial means to help. Some have the time to help. Many have the ability and desire, but don't know where they can help. Some would like to help others, but need help themselves. They just need someone to give them a hand so they can pull themselves up out of poverty. They want a decent affordable place to live and raise their family, but need help to take that first step. We can be that first step with your help. With your time, tithe and talent, you help individuals and families become homeowners. You help them realize that they can have a place to call home, for their children to call home. "Do what you can, with what you have, where you are."*

## Builds Update

Thank you to everyone who has already shown their support for our upcoming builds. We couldn't do it without you!

### Dothan Build - Wall Raising Scheduled!

We are so happy to have a wall raising day set for our Cloverdale build! Wells Fargo will be bringing employees out to volunteer with us on Saturday, August 8th to raise the walls for the Jackson family. What a wonderful day it will be to work side by side with a family who will be able to see the beginning of their dream to own a home come to life.

## Cowarts/Dothan Build

While we are building in Dothan, we are working toward raising the funds and supporters for our next build as well! This family of three would love to live in the Cowarts area to be close to family. We are hoping to find property that could be donated for this build in Cowarts. If you can help with this build, please contact us!

## Daleville Build

We are so grateful for the grant we received to help build a single mom and her three teenagers a home in Daleville. But we still need more funds to build the home! If you would like to help us to build a home in Daleville, call today and find out how you can!

**Thanks for taking the time to catch up on your local Habitat affiliate. Hope to see you on a job site, at the Habitat ReStore, or at a home dedication sometime soon!**
