**We have been so
blessed with
donations in the**

October Newsletter

Dear Friends,

"Everybody can be great...because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love," Martin Luther King, Jr. When I began my time with Wiregrass Habitat five years ago, I knew nothing about construction. I had other skills I was able to bring to the job, but construction ability was not one of them. What I did have was a desire to serve, a desire to help others. I wanted to see individuals and families build their homes. I wanted to work beside them to help them become homeowners, something many thought would never happen. I wanted to see children being raised in a safe, affordable home so that maybe one day they would succeed as adults and develop a heart for service. I have seen that happen. I have seen children graduate from high school and go on to college. I have seen them follow their dreams to become nurses, business professionals, athletes, a global sustainability specialist and even a professional comedian. I have seen not only the homeowners, but their children develop a deep love for community. While we do all we can to prepare them for homeownership, they can

last month. We cannot thank our generous donors enough for their support of Wiregrass Habitat for Humanity by giving items to the ReStore. Your tax-deductible charitable donation is one way that we are able to continue to build affordable homes for qualifying individuals and families. Please remember the ReStore when you are renovating and need to find a new home for cabinets, appliances, furniture and building materials! Reduce. Reuse. Recycle. Call 699-1570 today to schedule a pickup of your tax-deductible charitable donation.

only achieve that dream with the gift of your time, talent and treasure. You help them build their homes board by board, nail by nail. You show them compassion by working beside them. You show them what a heart of service truly is. With your help, Habitat homeowners achieve the strength, stability and independence they need to build a better life for themselves and their families.

Builds Update

Ozark Build

PUBLIX SUPER MARKETS
CHARITIES

This house is done! Thank you to Publix Super Markets Charities and Wiregrass Foundation for making this build possible! We would not be able to continue to build homes without the support of our community, volunteers as well as the foundations that believe in our mission. Thank you to all who help families become homeowners and improve our community one home at a time.

Daleville Build

With the support of Wiregrass Foundation, we will be building in Daleville! The contractors are lined up and plans are in place to start this home! We will post our volunteer schedule on our website and our Facebook. Sign up for our newsletter and receive up-to-date information on when volunteers are needed!

Dothan Build

We are so thankful to Wells Fargo for providing funding for our Dothan build on Louise Street! Thank you for seeing how important housing is to the Wiregrass and providing volunteers to help us build it!

Thanks for taking the time to catch up on your local Habitat affiliate. Hope to see you on a job site, at the Habitat ReStore, or at a home dedication sometime soon!

**Amy Schutz, Executive Director
Wiregrass Habitat for Humanity**

Creating simple, decent, affordable housing in partnership with low-income families, volunteers and the communities of the Wiregrass.
