Habitat for Humanity®
ReStore

January Newsletter

Dear Friends,

"I prayed for twenty years but received no answer until I prayed with my legs," Frederick Douglass. We all pray for a better world: where no one is hungry, homeless, cold, or lacks any of the basic needs one deserves as a human being. But praying is not enough. Thinking that someone else will do something about it is not enough. When we make the decision to be the difference in our world and begin to take action then the world will begin to change. The change will start small, but it will grow. You can inspire others to be the change. Then their actions will inspire others. Before you realize it, your one small act of kindness has created a community of kindness. Never think that one person will not be able to make a difference because one person can. You can be that one to start it.

Amy Schutz
Executive Director

Do you know that when you donate to the ReStore you are joining others in keeping thousands of pounds of "trash" out of the landfill? What you might consider trash is another person's great find! We have many who shop in order to repurpose items they find in the ReStore. So don't throw out your gently used appliances, furniture or building materials! Call the ReStore and donate them today! Reduce. Reuse. Recycle. Call 699-1570 today to schedule a pickup of your tax-deductible charitable donation.

Builds Update

Dothan Build

The house is progressing in Dothan! We took a little time off over the holidays (and from the rain!) but we can't wait to hang vinyl siding! The support of the community is what makes building safe, decent affordable homes possible. We are

so excited to be working with more volunteers
over the next few months!

Daleville Build

Thank you to all who came out to raise walls with us in Daleville! It was a great day and we are so excited to be building in Dale County again. So many volunteers have already signed up to help us in the coming months. We cannot express enough our gratitude for your help!

Thanks for taking the time to catch up on your local Habitat affiliate. Hope to see you on a job site, at the Habitat ReStore, or at a home dedication sometime soon!

**Amy Schutz, Executive Director
Wiregrass Habitat for Humanity**

Creating simple, decent, affordable housing in partnership with low-income families, volunteers and the communities of the Wiregrass.
