February Newsletter

Dear Friends,

Time is a precious gift. It is something we never seem to have enough of. So when we give it to someone, it truly is one of the greatest gifts we can share. Time given by our volunteers allows us to continue to build safe and affordable homes. It allows them to see the impact they are able to have on our community by giving of their time. Time given by our future homeowners is important too. It gives them hope that they will be able to have an impact on their community. It gives them hope for the future for themselves and their children. "If instead of a gem, or even a flower, we should cast the gift of a loving thought into the heart of a friend, that would be giving as the angels give," George MacDonald.

You never know what you are going to find in the ReStore. We have recently been blessed with a very large donation of lighting: light fixtures, hanging lights, bulbs, globes and more! Look for them over the coming month as we will be putting out new ones each week. Thank you to all who continue to donate to the ReStore and shop in the ReStore. You help us continue our mission to build homes in the Wiregrass through your donations and purchases. Reduce. Reuse. Recycle. Call 699-1570 today to schedule a pickup of your tax-deductible charitable donation.

Builds Update

Dothan Build

Thank you! Thank you! Thank you to all the amazing volunteers who came out and hung insulation and vinyl siding. Larry Blumberg & Associates helped finish hanging the vinyl siding this past weekend. We are so grateful for all that give up their Saturdays to make Sonja's dream become a reality. What started out as a slab in December looks like a home!

Daleville Build

We had a great day hanging vinyl siding in Daleville with employees from Corvias Military Living! It's amazing what a group of volunteers can do in a short amount of time. Thank you for working with us on our Daleville build!

Thanks for taking the time to catch up on your local Habitat affiliate. Hope to see you on a job site, at the Habitat ReStore, or at a home dedication sometime soon!
