December Newsletter

Dear Friends,

Thank you. Thank you to everyone who has helped us build this year. As we look back at 2017 we know that everything that was accomplished was because of you! Your time, talent and treasure were the reason we were able to finish two homes and start a third. It also allowed us to help 15 homeowners with critical home repairs. We look forward to 2018 as we know we have a lot of good work ahead of us. Thank you to Lowe's for your support through our Women Build Program. Thank you to Publix for sponsoring a whole house in 2018. We are excited to be building with you again. Thank you to Wiregrass Foundation for your matching grant to build a home in 2018. Without the support of these and other businesses, individuals, civic organizations and churches, we would not be able to continue to build homes. Please take a moment to view some of what was accomplished this year because of your support! Merry Christmas and Happy New Year!
