March Newsletter

Dear Friends,

Have you ever considered how much you influence people every day? We often don't know who is watching us. They are watching us doing something out of love or respect for a friend or family member or even a stranger. They are watching us doing something to give joy to someone else. They are watching us knowing that we are not tangibly benefiting from it ourselves. We are simply doing something we feel is right. We are doing something to make the world a little better place. Be an example. Be the one to show that what we do, no matter how small it may seem to you, it is significant to someone.

*Amy Schutz
Executive Director*

Blessed does not even begin to describe what our ReStore staff experiences each week. They see donors and customers, some new and some returning. They stock the shelves with great donations knowing that every item that is sold, no matter how large or small helps continue our mission. Thank you for donating and shopping so that we can work towards eliminating substandard housing. Reduce. Reuse. Recycle. Call 699-1570 today to schedule a pickup of your tax-deductible charitable donation.

Tee It Up for Things that Matter!

It hardly seems real that it is time for our 17th Annual Charity Golf Tournament! We are looking forward to another fun year with golfers and volunteers at Robert Trent Jones Golf Trail, Highland Oaks Golf Course Friday, April 28th. We have sponsorship opportunities available as well as slots for teams.

Contact Emily at 334-792-8453

or ebrannon@wiregrassshabitat.org to sign up for a sponsorship or a team today!

National Women Build Week Coming Up

Our Women build will be participating in National Women Build Week in partnership with Lowe's beginning May 6th. We look forward to partnering with Lowe's Home Improvement store not only for volunteers but two clinics as well! Join us Thursday, April 6th at 5:30 p.m. at the Lowe's on Ross Clark Circle or you can also join us Thursday, April 20th at 5:30 at Lowe's on Ross Clark Circle. We will be learning how to install insulation and drywall one Thursday and how to frame walls and roofs the other! We will welcome volunteers to work with us on a rehab project on Saturday, May 6th as part of this great volunteer event. If you would like to volunteer with us on May 6th, please let us know!

Builds Update

Dothan Build

[Donate](#)

We continue to have amazing volunteers work with us on our Dothan build! Thank you to community volunteers including The Cochran Firm, Mount Gilead Baptist Church youth and local Boy Scouts. Your dedication is turning this empty lot into a home!

Daleville Build

It is such a blessing to continue to have such wonderful volunteers at both our build sites! Thank you again to Corvias Military Living for helping us with our Daleville build.

Thanks for taking the time to catch up on your local Habitat affiliate. Hope to see you on a job site, at the Habitat ReStore, or at a home dedication sometime soon!

**Amy Schutz, Executive Director
Wiregrass Habitat for Humanity**

Creating simple, decent, affordable housing in partnership with low-income families, volunteers and the communities of the Wiregrass.
