 Habitat for Humanity  
**ReStore**

# February Newsletter

Dear Friends,

*"You exist but as a part inherent in a greater whole. Do not live as though you had a thousand years before you. The common due impends; while you live, and while you may, be good...." – Marcus Aurelius Antoninus.*

*While we are each an individual, we are also part of the whole: whole community, whole state, whole nation. We must create pathways out of poverty, paving the way for individuals, families and communities to overcome the barrier to affordable housing. You help make that possible for so many. We are excited that the Blake's home is almost complete. You are the reason why. It's also exciting to know that the next house will be starting very soon. You are the reason why. You come together as a community to give a helping hand to those who truly need it. Thank you.*

**Dothan Build**

We undertake our work to demonstrate the love and teachings of Jesus, acting in all ways in accord with the belief that God's love and grace abound for all, and that we must be "hands and feet" of that love and grace in our world. You are the hands and feet of Christ on each build. Thank you from the beginning to almost the end!

## Dothan Build

The lot is chosen for the Merritt/Starr family. We cannot wait to build the home for this family that has overcome many challenges and worked so hard for this home!
