

Dear Friends,

If I had to find one word to describe our successful homeowners it would be determination. From the moment they are accepted into the program, they are determined to become homeowners. They work on the volunteer requirement through the education classes we offer, the ReStore and construction builds to earn at least 350 of the 500 hours needed before we start their home. They begin saving up the \$1,500 down payment. Every part of the program is setting future homeowners up to succeed. We want you to see the foundation that is laid through the Habitat program. We want you to see what is possible because of your support. Because it is only successful because of you and the wonderful community of the Wiregrass.

“Failure will never overtake me if my determination to succeed is strong enough,” Og Mandino.

July will be a special month for the Starr-Merritt family! They are going to see the walls raised on their home! Through the support of Publix Super Market Charities and the Publix employees, this family will be in their home by Christmas!

Wonder what is so great about the ReStore?

Are you looking for projects for the kids this summer to keep them from being bored? Do they enjoy crafts? There are so many things to be done with old windows, shutters, paint and more! Stop by the ReStore at 2086 Montgomery Highway Thursday and Friday, 9:00 a.m. to 5:00 p.m. or Saturdays 9:00 a.m. to 3:00 p.m. to pick up what you need. Do you need to get rid of a few items still in great shape? Reduce. Reuse. Recycle. Call 699-1570 today to schedule a pickup.

Thanks for taking the time to catch up on your local Habitat affiliate. Hope to see you on a job site, at the Habitat ReStore, or at a home dedication sometime soon!
